

New "Workhorse" Plows 4X More Miles Before Change Out.

Winter® RAZOR™ Snow Plow Blade System.

It's the new "Workhorse" for city, county or state snowplow professionals. Whatever your plowing conditions - light snow to extremely heavy snow and ice, the RAZOR™ System can tackle it, giving you up to 400% more wear life than a steel blade setup. The RAZOR™ System's combination carbide insert blade with built-in steel cover plate eliminates the cost and hassles of using steel cover blades.

One Winter® customer who runs with a RAZOR™ Carbide Insert System said,
"It's unbelievable. We are getting more than three times the life of the old plow blade system we ran with last year – and we haven't changed it out yet."

Winter® RAZOR™ System

Order the complete system using one part number.

Extend your wear life as much as 400%,
then watch your maintenance and
equipment costs drop drastically.

Winter® RAZOR™ System

The RAZOR™ System is a combination carbide insert blade with built-in steel cover plate protection. It eliminates the cost and installation hassles of using cover blades. CurbRunner™ PlowGuards give added protection to the blade bottom and ends. This system is engineered to extend blade wear life as much as 400%. You can order the complete RAZOR™ System using only one part number.

High-quality Carbide Insert Blade.

- 6" high, 3/4" high quality steel blade with carbide inserts embedded along length of bottom edge.

Steel Cover Plate eliminates need for steel cover blade.

- 3" high, 5/8" thick steel plate reduces premature wear and protects carbide inserts from washout and damage.
- Plates interlock blade sections forming one stable unit.
- Built-in wear indicator warns when blade needs replaced.

Winter® CurbRunner™ PlowGuards can add up to 400% more wear life.

- 1-1/8" thick heavy plate steel with a 6 lb., 7/8" deep, 1-1/8" wide carbide matrix protecting the length of the bottom edge.
- 1-1/4" x 1/4" thick steel cover plate protects the carbide matrix edge.
- Steel Casting with carbide matrix protects blade and plow ends.

High-quality plow bolts and hardware.

- Grade 8 plow bolts, washers and nuts in one plow bolt kit.
- CurbRunner™ PlowGuard adapter plates for easy assembly.

Order The RAZOR™ SystemPak Using One Part Number
