

# Underbody/Grader Blade System With A Tough Hard Face.

## Winter® RoadMaxx™ Snowplow Blade System.

Whether you're plowing snow on city streets, or cutting a path on a rough county road, the RoadMaxx™ System should become standard equipment. It's engineered to help you keep the edge you need to cut a clean path, free from blade damage, and allow equipment to work longer between change outs.

The RoadMaxx™ System will increase your production while reducing maintenance time and cost, in both snowplowing and earthmoving applications.

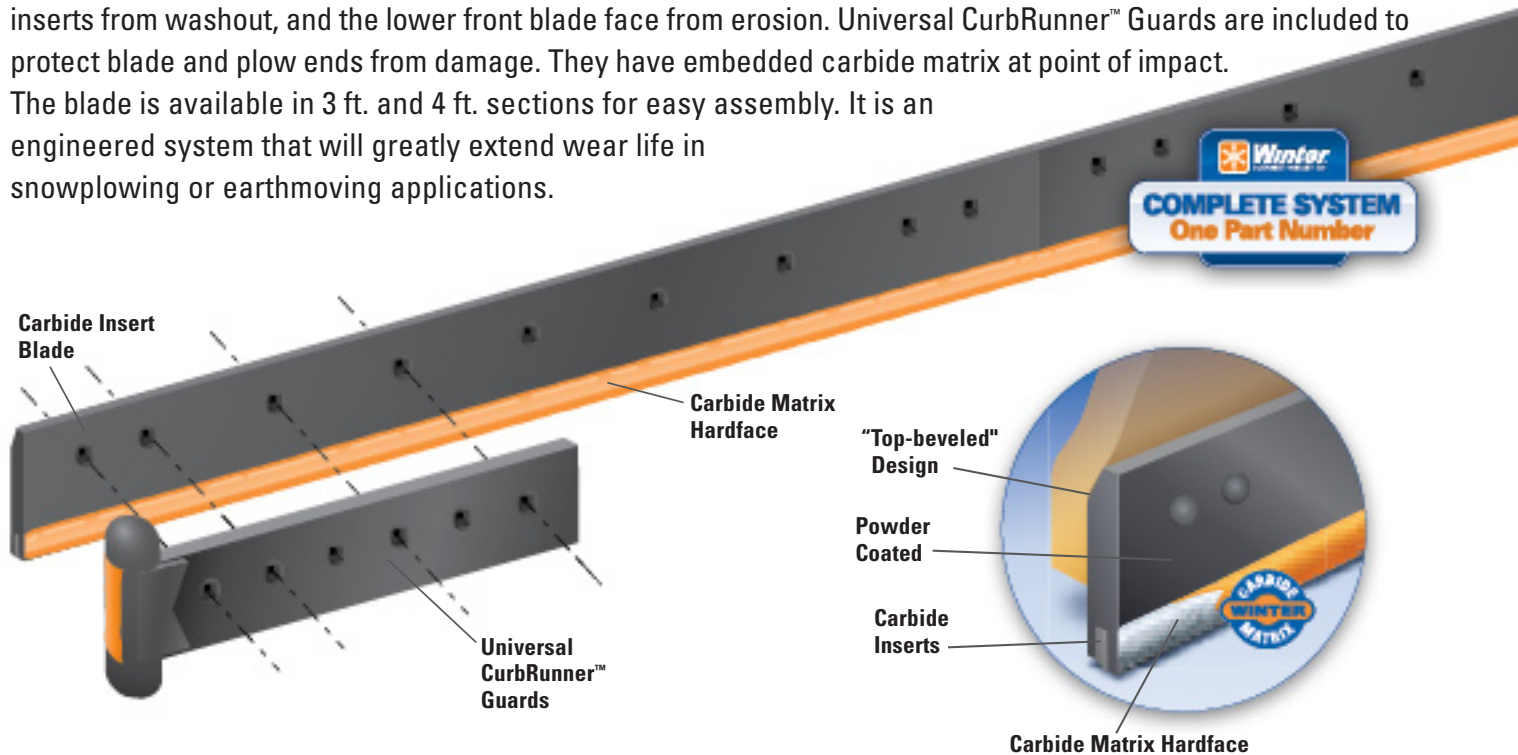

## Winter® RoadMaxx™ System

Order the complete system using one part number.  
Watch it dramatically increase your production  
by miles and reduce your equipment costs.

# Winter® RoadMaxx™ System

A RoadMaxx™ System has a high quality carbide insert blade with a tough carbide matrix face protecting carbide inserts from washout, and the lower front blade face from erosion. Universal CurbRunner™ Guards are included to protect blade and plow ends from damage. They have embedded carbide matrix at point of impact. The blade is available in 3 ft. and 4 ft. sections for easy assembly. It is an engineered system that will greatly extend wear life in snowplowing or earthmoving applications.

## Winter® RoadMaxx™ Carbide Insert Blade with hardfacing.

- 5" high, 7/8" thick high-quality steel with top beveled edge for proper underbody/grader fit.
- Carbide matrix face on lower front blade protects carbide inserts from washout and edge erosion.
- Available in 3 ft. and 4 ft. lengths in standard 3"- 3"- 6" bolt pattern.

## Winter® Universal CurbRunner™ Guards for blade end protection.

- Heavy plate steel with cast steel end featuring an embedded carbide matrix edge at point of impact.
- Installs on right or left blade end.

## Plow Bolt Kit with necessary plow bolts, nuts & washers.

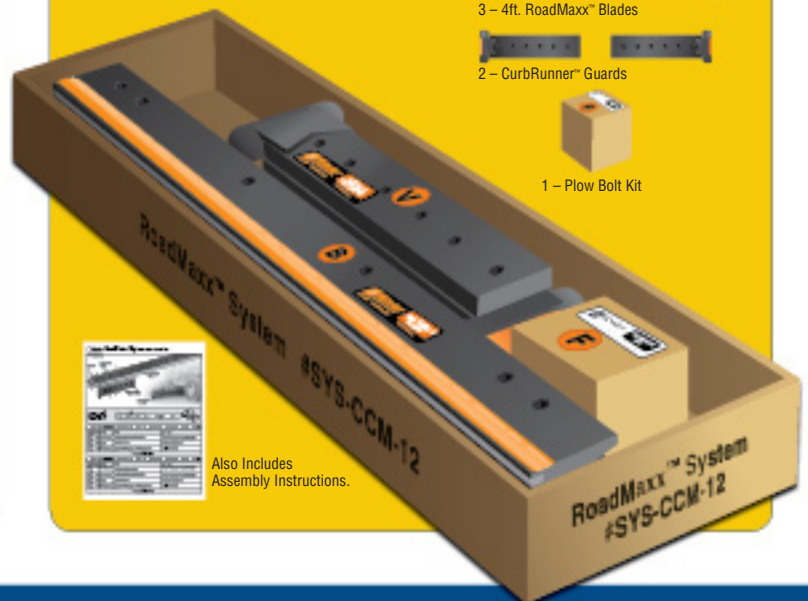

## Order The RoadMaxx™ SystemPak Using One Part Number

You get all the parts for the complete system in one easy-to-handle, secure package. No more stocking loose parts. The crates easily stack neatly to save space. SystemPaks will help clean up your inventory, and cut maintenance time and cost. When you're ready to install, just pop open the crate. All the right parts will be at your fingertips.

### RoadMaxx™ SystemPak contains:

1 - Plow Bolt Kit

Also Includes Assembly Instructions.
