MōDUS® Modular Snow Pusher Wear Shoe System

Reduce downtime, increase productivity

The revolutionary MōDUS® Modular Snow Pusher Wear Shoe System features exclusive Winter® Carbide filled cast shoes that deliver **5x** the lifespan of standard options while eliminating unnecessary waste. Compatible with Pro-Tech®, Arctic®, and Metal Pless® snow pushers, this innovative system allows contractors to quickly rotate and replace only worn components in the field using just a socket wrench—no torching, cutting, or welding required.
