Vulcan®

Complete Solution

Everything Included

- WESTERN
- FISHER
- SNOWEX

Vulcan® Steel Cutting Edge System

Why Snow Contractors Choose Vulcan® V-Plow

- **3x** longer life than factory high-carbon steel blades
- Through-hardened 1/8" boron steel construction (1/2" for BOSS®)
- PlowGuard Jr. with American Made Winter Carbide™
- 1" thick cast steel nose guards (2x factory thickness)
- Compatible with Western®, Fisher®, and SnowEx® V-plows

Vulcan® for Western, Fisher, SnowEX
